A PISTOL PACKIN' HISTORY

Longhorn Barbecue originated in Houston, TX in 1945. After 10 years of business in the "Pistol Packin' City" the Lehnertz brothers decided to move out to the great Northwest. Since moving to Spokane from Texas, the brothers have captured the hearts of Inland Northwest diners with their traditional "Southern Pit-Style" barbecue.

From boardroom to ballroom, from no tie to bow tie" we will take care of any event. And pardnur, this is the REAL pit barbecue because our meats are smoked on the pits by a combination of apple, cherry, alder and birch woods.

If it's wide open spaces or your own backyard, when the Longhorn Barbecue chuckwagon rolls up "the feed bag is on!" Whatever your catering needs, there is only one name to call. Longhorn Barbecue.
